LEGACY KARATE ACADEMY

July 18, 2011

My name is Master Eric Versland. I am the owner of Legacy Karate Academy located in Royersford, PA. I have been involved in Martial Arts for over 35 years and have been teaching for over 20 years. As an operator of a Martial Arts school with over 180 students I have come to realize that one of the most important tools in running this type of business is an effective attendance sheet.

Attendance tracking is imperative for day to day operations. Making sure students have attended the appropriate amount of classes to be eligible for testing, clinics and the like is very important. That's why I use the iRoster for tracking my students' attendance, payments and many other dynamic features. This web based application can be used from a laptop, ipad or smart phone. It has become invaluable in my day to day operations. I would recommend this product to anyone who is involved in a serviced based business such as mine. The iRoster is also great for dance schools, gymnastic schools and any like kind business.

Best regards,

Master Eric C. Versland
